DESTINATION WEDDINGS

At Manavella Weddings, we design refined and deeply personal celebrations in Provence, on the French Riviera, and abroad. Each wedding is entirely bespoke, thoughtfully curated and flawlessly executed, always true to your vision. From the careful selection of exceptional vendors to seamless logistics and discreet wedding day coordination, every detail is handled with precision and intention.

Our commitment is simple: to provide you with a smooth, elevated planning experience and the freedom to fully enjoy every moment with complete peace of mind.

OUR SERVICES

Every wedding we plan is entirely bespoke. We create sincere celebrations, rooted in your story and the way you naturally gather and host your guests, rather than standardized weddings. The goal is to create a day that truly reflects you, with special attention paid to the flow, atmosphere, and details. We take the time to understand your project in order to build a smooth and well-structured planning process, from the first exchange to the big day. To guarantee this level of support, we deliberately limit the number of weddings each season. This allows us to be truly present and invested at every stage, and to offer you a calm and well-organized planning experience.

Our role is not only to organize, but to allow you to truly enjoy the journey, knowing that every detail has been anticipated.

A B O U T

I am Pierrine Manavella, wedding planner and founder of Manavella Weddings.

As a married woman, mother, and sports enthusiast, I have always needed a balance between gentleness and energy. These facets of my life shape the way I work today: attentive listening, but also a great capacity for anticipation and organization.

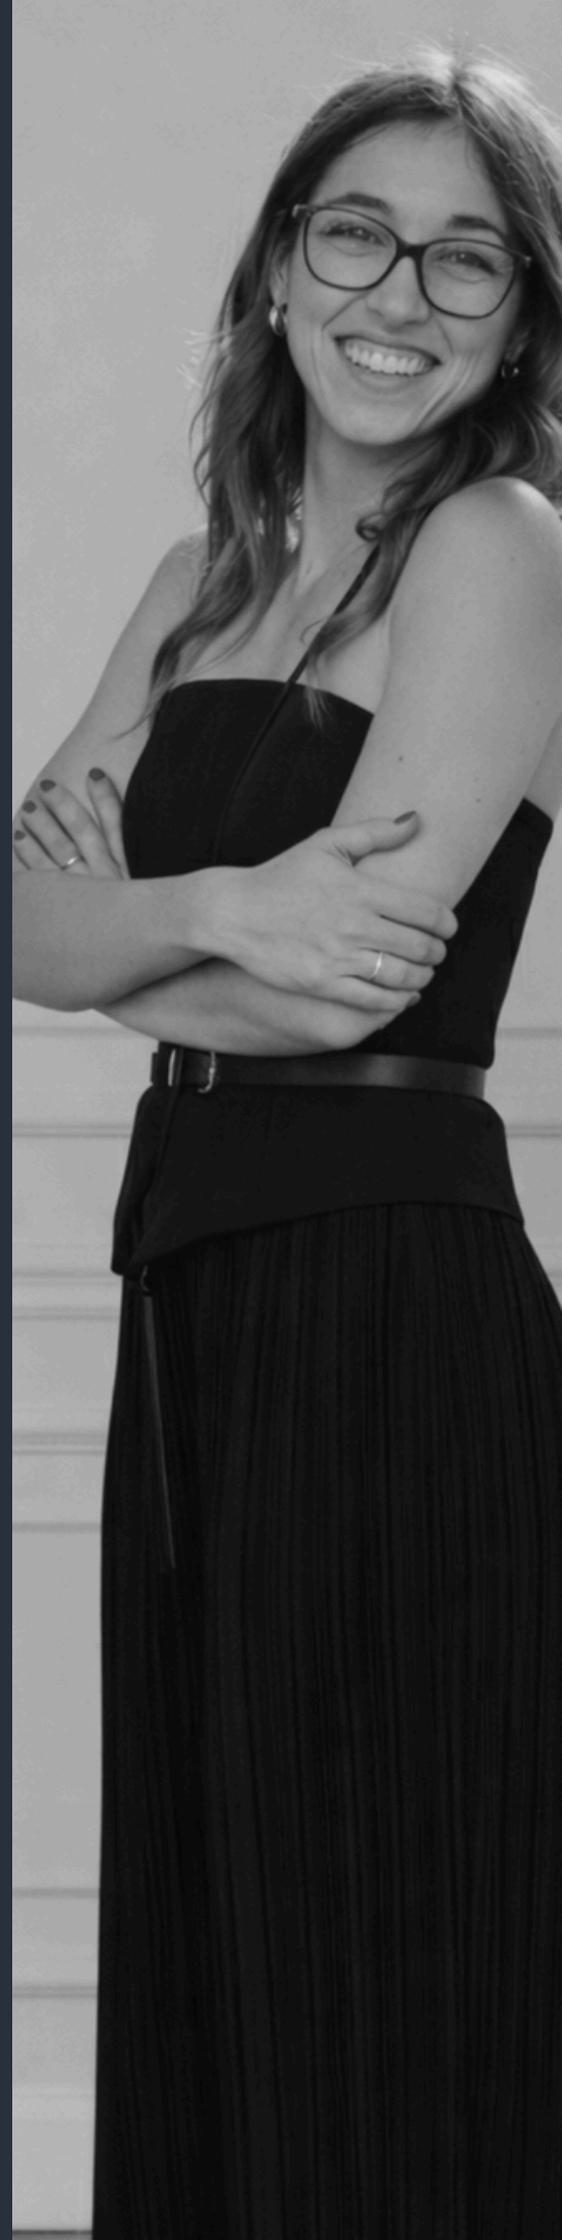

For me, planning a wedding is never just a series of technical decisions. It is a meaningful human experience, full of emotions, excitement, and occasional uncertainties. My role is to support you with rigor, while providing you with the peace of mind you need to fully enjoy this period.

I am here to guide you, reassure you, and create a smooth framework so that you can move forward with confidence, without unnecessary pressure.

Whether in Provence, on the French Riviera, or abroad, each project is designed with care and sincerity. I attach particular importance to ensuring that your celebration truly reflects who you are: elegant, natural, and deeply faithful to your story.

From our first meeting to the big day, I dedicate my attention to detail, high standards, and commitment to your celebration, so that you can live each moment to the fullest, without worrying about what is going on behind the scenes.

SOME REVIEWS

*"Pierrine, if there's one person we want to thank after this weekend, it's you. You handled all our problems brilliantly and made sure we had an incredible weekend. Beyond that, we also really appreciated your kindness, your words, your initiative, and your advice. Beyond your organizational skills, it's also the person you are that we want to thank. I hope this isn't the last time our paths cross. You are truly a wonderful person, and I wish you all the best.
We send you our heartfelt thanks and gratitude once again."*

"From the moment I met Pierrine, I had a good feeling about her and took an instant liking to her. And I was right. Beyond being a kind and gentle person, she was able to reassure me and advise me on my wedding. And on the big day, she was able to handle the unexpected, take initiative, and did so seamlessly and discreetly. In short, I can only recommend Pierrine, who was incredible from start to finish. We were so lucky to have her by our side. Thank you again for everything."

"Pierrine took care of our wedding, which took place last May. With over a year of preparation and personalized support, the process went wonderfully well thanks to her. She is very organized and was able to help us every step of the way. Her wonderful energy, positivity, and great ideas were a real bonus.

Our wedding weekend was a dream come true, thanks to her and her team. Her professionalism was evident throughout, and the result exceeded our expectations. We couldn't have asked for a better wedding planner.

Our only regret now is that it's over and we no longer have our daily calls with her!"

- Nastasia & Frederic

"Pierrine is a very kind and caring person who will support you throughout your preparations. From the very first meeting, I knew she would do her utmost to make our day unforgettable and live up to our expectations. Pierrine reassured me and gave me strength in moments of doubt. Passionate about her work and with a keen eye for detail, she will make your union sublime and will never give up until everything is perfect.

I can't thank her enough for her hard work!

So don't hesitate, hire her to make your day one that will be etched in your memory forever and will make all your guests' eyes sparkle."

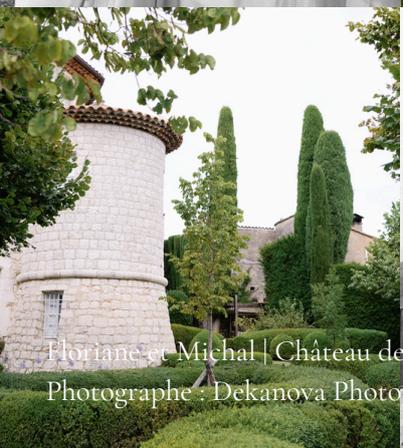

- Léa & Romain

"A huge thank you from the bottom of our hearts to our wedding planner Pierrine, who was simply extraordinary. She brilliantly orchestrated both parts of our wedding, putting all her energy, professionalism, and above all, a great deal of humanity into it.

Our wedding combined two different traditions, with sometimes complex requests, and she rose to the challenge with remarkable skill. Always attentive and incredibly patient, she understood our expectations, respected them, and enhanced them, even when we were slow to respond. She never pressured us, always gentle and constantly present. She didn't hesitate to check in with us to make sure every detail was perfect, honoring each culture and symbol with accuracy.

Thanks to her, we were able to enjoy our wedding with peace of mind, surrounded by serenity and emotion. She contributed greatly to making these moments magical, harmonious, and unforgettable. We recommend her without hesitation, with all our gratitude and affection"
